

Loudoun Soil and Water Conservation District

Pet Waste Station Program

- Up to a maximum of \$7000 for pet waste station installation and minimum 3-year maintenance agreement contract per community.
- Sign up process and application similar to LSWCD's Non-Ag Tree Planting Program
- Program is *water quality* focused to reduce bacteria and nutrients from pet waste from entering local streams which can harm people and wildlife habitat
- Applications should include a map of the proposed locations of the waste stations, an estimate from a pet waste contractor, or materials and labor costs, and 3 year maintenance cost estimates if being done "in house" by HOA staff.
- Applications will be reviewed monthly on a first-come, first served basis by the Loudoun SWCD Board of Directors.
- For more information e-mail chris.vanvlack@lswcd.org
